Thanks for reaching out Darren. For the most part this looks okay, although this copy would need further adjustments:

"only to see the leads miraculously disappear as the days went by. Perhaps these leads will return as our legal proceedings move forward, but only if we have the resources to **KEEP FIGHTING!**

This obviously insinuates the so far unsubstantiated theory of voter fraud, as well as contributions and legal actions will result in some sort of different outcome. You have been spot-on with other changes, so I'd say reference that to an objective observation on the current state of the voting process, etc.

Let us know if you have any questions-
Seth

Karen,

I will NEVER stop fighting for YOU.

My Administration is achieving things no one thought possible - *the stock market is up BIG, the coronavirus vaccine is underway and will be completed safely very soon.*

We are accomplishing so much, which is even more reason to step up and DEFEND THE ELECTION!

I'm calling on YOU to FIGHT BACK, Karen. We need to bolster our critical Election Defense Fund if we're going to keep going. We can't do this without you.

Please contribute ANY AMOUNT IMMEDIATELY to the Official Election Defense Fund and you can increase your impact by 1000%. >>

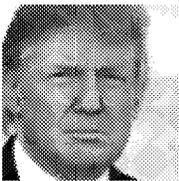

CONTRIBUTE WHATEVER YOU CAN >>

I had such a big lead in all of these key battleground states late into Election night, only to see the leads miraculously disappear as the days went by. Perhaps these leads will return as our legal proceedings move forward, but only if we have the resources to **KEEP FIGHTING!**

You've never let me down before, Karen and I know you won't start now.

Contribute ANY AMOUNT RIGHT NOW to stand with me and to DEFEND the integrity of our Election.

Thank you,

Donald J. Trump
President of the United States
